DESCRIPTION

Setia Avenue is a commercial hub located in the township of Setia Alam. The hub is developed by SP Setia and has 274 units housed amongst 10 blocks of 5 storey buildings. Units here have an average built-up of 9,000sf.

The commercial centre provide a number of facilities so tenants can sit relax and feel safe when at work. There are pedestrian boulevards and alfresco dining areas provided for those who want some fresh air, there are also canopied walkways. A Tesco hypermarket is right next to Setia Avenue, and for convenience sake, there is a direct link to the hypermarket. The commercial centre also has a centralized, two level 1,840-bay car park with lift access and escalators, as well as 24-hour security patrol.
